SEE WHAT PEOPLE ARE SAYING THAT HAVE READ THE BOOK.

I Just finished reading "Old Memories And Me" for the first time. This book definitely rates a second read.

This autobiography of one of Nashville's finest songwriters is a must read if you are a songwriter, but also a great read if you want to experience Charlie Craig's journey from his small town of Watts Mill, South Carolina to Nashville.

Get ready to laugh out loud and sometimes cry as Charlie's life becomes an open book.
